The class of 57, in addition to fulfilling their customary responsibilities — compiling the 1957 Student Directory, selling pins, helping plan the Mid-Year Prom, planning the Senior Prom, organizing the Senior Picnic, and planning other senior activities—adopted a new project which they are very proud of. This new project is termed ADAMS HOURS and involves the rendering of the personal services by the seniors to worth while organizations in the South Bend area. Each hour of work contributed by a senior equals one Adams hour. This project is designed to give the seniors an opportunity to experience the wonderful feeling of self-satisfaction gained by helping others less fortunate than we and also to help us realize that we are living in a world of need and that others will always be desirous of our help. The Children's Aid Society and the St. Joe County Cancer Society were visited by seniors in gaining their first hundred ADAMS HOURS. This Senior Cabinet recommends this project to the class of '58.

With the ending of the football season, the Band graduated to indoor practices and played for basketball games. They also played at all pep assemblies with the aid of the "pep band" stationed at the four corners. On completing basketball obligations, the members of the Band began working frantically on the solo and ensemble contest at LaPorte and the state contest at Indianapolis. Faring quite well in these two contests, the Band began preparing for the Band contest, and concluded their season with the annual school concert.

Coach Laurita and Head Coach Murphy

Coaches Laiber, Swartz, and Aronson

Coach John Murphy's eleven enjoyed the most successful season in Adams football history. In addition to capturing their first undisputed Eastern division championship, the Eagles humbled Hammond, the western division victors, 26 to 0. This was only one of six shut-outs posted as the gridders compiled an impressive 9-1 record. Riley, Mishawaka, Central, Washington and St. Joe all succumbed to a three touchdown whitewashing at the hands of the mighty Eagles.

The lone blemish on the record was a single point upset administered by the LaPorte Slicers. The major ingredients in the winning formula for the Adams squad were a stubborn, rugged defensive line, a swift versatile offensive backfield, and top notch discipline and spirit.

The hoopsters, after splitting their first twelve games, caught fire and won the remaining eight regular season contests. Powerful Mishawaka, State Champion Crispus Attucks, and highly touted Elkhart fell before the high flying Eagles. An early season defeat at the hands of East Chicago Washington was reversed because they had to forfeit many of their games. With the forfeit included, the Adams five earned an impressive 15 won and 5 lost

regular season record. The Eagles captured their own Holiday Tourney crown with hard fought victories over Riley and Washington. Central eliminated the Eagle quintet in the first game of the sectional of state tournament action. This year our varsity cheerleaders have taken the name of the 'Big Five.' Throughout football and basketball seasons they have made posters, organized pep assemblies, participated in Booster Club activities, and organized student busses in addition to cheering at all of the games. This group of five would like to feel that through their efforts they have played a small part in contributing to the successes of our football and basketball teams and helped improve and build the spirit of the student body.
